Program Notes

1. The program outcome measures marked with an * were adjusted downward in FY 2003/04 to reflect the budget cuts implemented. However, based on the current year to date experience, the percentage of businesses surveyed rate the City as a good place to do business has been revised upward in FY 2004/05 to better reflect the anticipated performance results.
2. The Economic Prosperity Program budget has been adjusted to reflect Council direction on service delivery focus at the Feb. 10, 2004 Council Meeting (RTC 04-056). Starting in FY 2004/05, the primary focus of each service delivery plan (SDP) is highlighted below:
 - Retail and Hospitality focus is on El Camino Real, specifically the auto dealers.
 - Office and Industrial focus is on targeted marketing for emerging technologies with an emphasis on bioscience.
 - Business Partnerships focus is to provide outreach to all businesses through web-based communication.
 - Redevelopment SDP supports the anticipated level of assistance for redevelopment of the downtown and mitigation to businesses during the construction process.
3. SDPs 24401 thru 24403 are located under the Community Development Element tab in Volume I. SDP 24404 is located under the Redevelopment Agency tab in Volume II.
4. The FY 2004/05 budget has been reduced to reflect phase two of the FY 2003/04 citywide budget reduction for this program.
5. The actual reported in FY 2002/03 for the City tax increment revenues program measure was high because the 5 year rolling average calculation included the economic peak in the late 1990s. The goals for FY 2004/05 and 2005/06 now exclude these years in the calculation and reflect a more realistic year-to-year growth rate.
